

Careers Entitlement Statement

All students in the academy will have access to careers guidance and information which is: impartial, confidential, provided by a qualified careers adviser, focussed on the individual student and supportive of equal opportunities.

All students will take part in a careers education programme which is part of the PSHE curriculum for years 7 to 11 to help them to: understand the future opportunities in education, training, and employment, develop the necessary skills to help them plan career progression, understand how and where to access information to help make informed decisions and to be given opportunity to give feedback to support the coordinator improve careers provision in the academy.

The academy will provide a range of opportunities that can inspire, inform and encourage students to make important career choices including work experience, outside speakers and workshops.
