4.2. Teachers and support staff will receive training on this policy as part of their new starter induction.

4.3. Teachers and support staff will receive regular and ongoing training as part of their development.

- 8.1. Teachers are able to discipline students whose behaviour falls below the established Code of Conduct at the school.
- 8.2. If a student misbehaves, breaks a school rule, or fails to follow instructions issued by a member of staff, the teacher is able to punish the student for their poor behaviour.
- 8.3. In order for the punishment to be lawful, the school will ensure that:
 - The decision to punish a student is made by a paid member of school staff, or a member of staff authorised to do so by the Principal.
 - The decision to punish a student is made on the school premises or whilst the student is under the charge of a member of staff, such as during an educational trip/visit.
 - The decision to punish a student is reasonable and will not discriminate on any grounds, such as disability, race, special educational needs – as per the Equality Act 2010 in respect of safeguarding students with special educational needs, and any other equality rights.
- 8.4. The school will ensure that all punishments are reasonable in all circumstances, and will take into account the student's age, religious requirements and any special educational needs or disabilities.

- Wearing school uniform.
 - Travelling to or from school.
 - Taking part in any school-related activity.
 - In any way identifiable as being a student at the school.
- 9.3. Teachers may also discipline students for misbehaviour off the school premises that, irrespective of the above:
- Could negatively affect the reputation of the school.
 - Could pose a threat to another student, a member of staff at the school, or a member of the public.
 - Could disrupt the orderly running of the school.
- 9.4. Any bullying witnessed outside of the school premises and reported to a member of staff, will be dealt with in accordance with the school's Anti-bullying SOP.
- 9.5. The school will impose the same behaviour sanctions for bullying incidents and non-criminal bad behaviour which is witnessed outside of the school premises, as would be imposed for the same behaviour conducted on school premises.
- 9.6. In all cases of misbehaviour outside of the school premises, teachers will only impose any behaviour sanctions once the student has returned to the school premises or when under the supervision of a member of staff.

10. Behaviour and sanctions

- 10.1. At Vale of York Academy there is no corporal punishment.
- 10.2. Where students display aggressive and/or threatening behaviour, or illegal activity discovered, the school will not hesitate to contact the police.
- 10.3. Any student, staff member or visitor displaying aggressive and/or threatening behaviour will be removed from the premises.

- 10.4. Teachers have the freedom to impose sanctions as they see fit depending on the behaviour, and age, of the student. This sanction process will follow the academy's Positive Discipline policy detailed in appendix A.
- 10.5. The school has a range of disciplinary measures which can be used, including, but not limited to, the following:
- Giving a verbal warning
 - Providing extra work or repeating unsatisfactory work until it meets the required standard
 - Setting additional work as punishment, e.g. writing tasks
 - Taking away privileges, e.g. not being able to participate in non-uniform days, or losing extra, prized responsibility.
 - Missing break/lunchtime, or detentions during lunchtime, after school and at weekends
 - Engaging in school-based community service, e.g. picking up litter
 - Placing the student on report for constant monitoring or other consistent behaviour checks
 - Excluding the student either temporarily or permanently, in extreme cases.
- 10.6. Teachers will use their judgement when issuing sanctions, taking into account whether they believe the student's behaviour was intentional, especially if it is the first time the student has displayed this behaviour.
- 10.7. At all times, teachers will discuss the behaviour with the student to ensure the student understands why it is inappropriate and to prevent any reoccurring behaviour.
- 10.8. Any member of staff who witnesses a display of unacceptable behaviour, or who issues any sanction to a student, must report this to the Progress Leaders and/or Assistant Vice Principal: Student Welfare.
- 10.9. The Assistant Vice Principal: Student Welfare will keep a record of all reported incidents.
- 10.10. The school does not take serious unacceptable behaviour lightly, and will not hesitate to act in the best interest of the students within the school.
- 10.11. All bullying incidents will be dealt with in accordance with the procedures outlined in the school's Anti-bullying SOP.
- 10.12. Any allegations made against a member of staff's behaviour and misconduct will be dealt with in accordance with the school's Allegations Against Staff Policy.
- 10.13. The school will consider whether the behaviour displayed by the student gives reason to suspect that the student is suffering, or is likely to suffer, significant harm. In these instances, the procedures outlined in the school's Child Protection and Safeguarding Policy will be followed.

- 10.14. The school will also consider whether the displayed behaviour is an indicator that the student's educational, or other, needs are not being met. In this instance, the school will consider whether a multi-agency assessment of the student's behaviour would be beneficial.

11. Detentions

- 11.1. The school will make it clear to parents/carers and students that they are able to use detention as a sanction, both during and outside of school hours.
- 11.2. All teachers at the school are able to impose detention on a student, unless the Principal decides to withdraw this power from any teacher.
- 11.3. The Principal may decide to delegate the power to impose detention to volunteers, such as parents/carers who assist during educational visit/trips.
- 11.4. The following indicate the times during which detention can be issued outside of school hours:
- Any school day where the student is not authorised to be absent
 - During weekends, except for any weekend preceding or following a half-term
 - Any non-teaching day, e.g. INSET days
- 11.5. Parental consent is not required for detentions and therefore, the school is able to issue detention as a sanction without first notifying the parents/carers of the student.
- 11.6. When issuing detentions, members of staff will ensure that they do so reasonably within the given circumstances, and that they take into account any additional needs of the student.
- 11.7. If the detention is during lunchtime, 15 minutes will be allocated to allow the student time to eat, drink and use the toilet.
- 11.8. Positive Discipline detentions run from 3.00pm to 4.00pm on a Monday and Wednesday (unless alternative arrangements are communicated to parents). Failure to attend a PD detention will result in a Principal's detention on a Friday from 3.00pm to 4.30pm.
- 11.9. When issuing detentions which are set to be outside of school hours, the academy will consider:
- Whether the detention is likely to put the student at risk.
 - Whether the student is a young carer with identified caring responsibilities which would make the detention unreasonable.
 - Whether suitable transport arrangements are in place between the parents/carers and the student.

NB. It does not matter whether these transport arrangements are inconvenient to the parents/carers.

Appendix A: Positive Discipline

Rationale:

Our academy believes in the development of each individual and is committed to providing the best opportunities for all in an atmosphere of mutual respect. We seek to provide an environment in which effective teaching and learning can occur, where the qualities of trust, honesty, fairness, tolerance, compassion, respect for self, others and property are valued and pursued.

The academy's behaviour policy is built upon the 'Positive Discipline' model, and seeks to provide a clear framework of what is acceptable in terms of behaviour, attitude to learning, and conduct.

Students are introduced to 'Positive Discipline' upon transition to Vale of York Academy. They then take part in Positive Discipline lessons fortnightly to in order to refresh their understanding of the policy, and review their positive and negative behaviour choices with their tutor, Progress Leader and SLT-link.

Defining Terms:

In this document the term 'staff' refers to all who are employed by the Governing Body and the term 'community' refers to all who have direct or indirect connections with the academy. The term 'Academy Community' refers to staff and students.

Background and Principles:

Vale of York Academy's behaviour policy is built upon the 'Positive Discipline' model.

These are the **classroom** standards that our students are expected to meet when they are at Vale of York Academy:

1. Arrive on time, fully equipped and ready to work for each lesson.
2. 10 second protocol to silently prepare for work.
3. Do as you are told by all staff – first time, every time.
4. Listen carefully when the teacher or another person is talking.
5. Put your hand up and wait for permission to speak.
6. Always try your best, without disturbing others.
7. Stand in silence at the end of lessons until you are dismissed.
8. Always do your homework properly and hand it in on time.

Most of the **Classroom Rules** require no explanation but a brief outline of the thinking behind some of the rules might prove useful.

Rule 1: 'Arrive on time, fully equipped and ready to work'

We want all students to recognise the importance of operating in a punctual and time-efficient manner. Additionally, we want students to understand the usefulness of being settled and ready to work with appropriate equipment without the constant badgering of the member of staff.

Rule 3: 'Do as you are told by staff – first time, every time'

Without doubt, this rule prompted the most discussion and debate within the staff body as a whole. Though a number of alternative approaches were suggested the group felt that the idea of following staff instructions was so important that the wording of the rule had to be absolutely clear. In short, we want all students to do as they are told.

Rule 5: 'Put your hand up and wait for permission to speak'

The group and indeed the staff body in general recognised the importance of maintaining the tradition of having students putting up hands in order to contribute in discussion. It is expected that the 'hands up' routine will be a central feature of each classroom, except when staff are engaging students in a question and answer session.

These are the **around the site** standards that our students are expected to meet when they are at Vale of York Academy:

1. Be polite and show respect for other people.
2. Do as you are told by all staff – first time, every time.
3. Wear your academy uniform correctly at all times. Coats and hoodies should be removed before entering the academy building.
4. This is your academy, look after it. Look after property and put all litter in bins.
5. Eat and drink in the right place at the right time.
6. Walk around the academy sensibly & quietly and keep to the left.
7. Be at the right place, at the right time.

Rule 5: 'Eat and drink in the right place at the right time'

Within the academy there are clear areas where the consumption of food and drink is permitted. Eating and drinking in the corridors is prohibited, and any student seen doing so must be challenged by staff, and an AS code issued.

Positive Discipline Comments

A Positive Discipline comment will be issued by staff when a student fails to meet one of the academy expectations. These codes are listed below:

B – Behaviour
A/S – Around Site
P – Progress and Passivity
E – Equipment and Organisation
L – Late
U – Uniform
H – Homework

The Positive Discipline Process

PHASE 1: VERBAL WARNING

It is anticipated that many students will receive the occasional verbal warning in their time with us. Hopefully, as students mature and become more self-disciplined the great majority of student/teacher contact will be positive and enthusiastic. Students should become accustomed to operating within the confines of our learning framework. This will include settling to work quickly, listening properly to the ideas of others and participating constructively in discussion.

The verbal warning, although not recorded, has two clear purposes:

- a) to indicate to students that they have done or are doing something which is unacceptable;
- b) To form a link to the more serious **PHASE TWO** sanction if it is required.

The words 'VERBAL WARNING' will be used by the member of staff, at which point the member of staff will take the students planner and place it on the teacher's desk.

PHASE 2: FIRST WRITTEN COMMENT

A student who continues to behave unacceptably despite being given a verbal warning will move into phase two and receive their first written comment which is verbally reinforced by the member of staff.

This is then recorded in the appropriate page of the Student Planner with a code, brief comment followed by staff initials. Students will move straight into phase two for lateness, homework, coursework and equipment misdemeanours.

Students could move into phase two as a result of continuing the behaviour which led to the initial verbal warning or for behaving in a way which is considered too serious to receive only a verbal warning. If a student reaches the maximum number of written comments allowed each week they will move into phase 5 - seclusion. If they complete phase 5 and return to their mainstream education in the same week, but then reach half the maximum written comments in the remainder of that week they will return to seclusion.

PHASE 3: SECOND WRITTEN COMMENT

Occasionally, students will continue to behave in an unsatisfactory manner despite receiving both a verbal warning and a first written comment. Such behaviour will result in the student moving into phase 3.

Students are given a second written comment in their planner, and will then be moved to another seat for the remainder of the lesson.

PHASE 4: THIRD WRITTEN COMMENT

At this point the classroom teacher would come to the decision that a child is persisting in undermining the work of everyone in the room. This is despite receiving a verbal warning, and two written comments at this stage.

Students are now given a third and final written comment in their planner (no more than 3 comments can be issued in any single lesson). The student will now be removed from the classroom and placed in a safety net.

Vale of York Academy has a whole academy safety net timetable in place. This is comprised of a range of KS3 and KS4 teaching rooms, that have been identified as being able to 'receive' students who have been removed from lessons as a result of phase 4. ONCALL will bring the phase 4 student to an appropriate safety net.

The removed student must now be submitted for an academy detention. This will be either a Monday or Wednesday from 3.00pm to 4.00pm, at the earliest opportunity.

When a student is given a fifth detention, parents will be informed of the seriousness of the situation and the consequence of any further academy detentions being received. When a sixth academy detention is given to any child, that child will automatically move into phase 5 - Seclusion.

PHASE 5: SECLUSION

Seclusion is an extremely serious sanction. The seclusion room is a functional and purposeful environment with a bank of work which covers every curriculum area. The seclusion room is located in the Aspire Centre, and is staffed by our Seclusion Manager – supported by the Behaviour Manager and Assistant Vice Principal for Student Welfare.

A video camera will be in operation at all times, supervision at break and lunchtime will be staffed by the duty rota.

Students will be 'secluded' in the fullest sense of the word. Lunch-break will be taken in the seclusion room and at no time will the secluded student be allowed to socialise with other students.

The duration of the day in the Seclusion Room will be from 09.00 to 16.00. All students who are placed in seclusion must bring their planner and equipment for that day. Any student

who reaches phase 5 during the academy day will spend the remainder of that day in seclusion – leaving at 3pm on the bell; but will also complete the subsequent day in seclusion until 4pm. Parents will be notified of this through the planner. Students placed in seclusion arriving late without good reason will repeat the full day at the earliest opportunity.

A student who is absent during the course of a seclusion session and does not produce a formal medical note will repeat the full period of seclusion. The period of seclusion should begin at the earliest convenient time.

The level of commitment displayed by the student will be recorded on the seclusion record. The seclusion manager will record this at the end of each period, and the relevant progress leader will discuss the student's performance at the end of each academy day.

A student who works satisfactorily or better will re-join mainstream education though a record of the period of seclusion will be kept in the child's personal file. It may also be worth noticing once again that this sanction, as with any sanction can be reached through a gradual process of continued unacceptable behaviour or through the committing of a misdemeanour which is considered sufficiently serious to warrant such an immediate sanction.

A student who fails to behave appropriately in seclusion is at risk of a fixed term exclusion. Students in seclusion will follow the same PD process as in lessons. Once a student received their second written comment, the behaviour manager will attempt to make contact with their parent/carer to allow them to discuss the poor behaviour with the student. If a student receives a third written comment, they will be given a fixed term exclusion, irrespective of whether parental contact was possible or not.

Students will enter seclusion when they receive their 6th detention; reach 8 comments in a single week; receive an additional 4 comments in the same week after completing seclusion; failing to attend the Principal's detention; or for behaviour incidences deemed to be of a serious nature – identified by the Assistant Vice Principal: Student Welfare.

PHASE 6 - BEHAVIOUR CONTRACT

Students will be placed on behaviour contract once they have returned from a fixed term exclusion issued for accruing 5 days in seclusion within a half term, or once they have returned from their first 5 day FTE. Each time the contract is broken the student will serve one day's seclusion. Once the contract has been broken on five occasions the student will be excluded from the academy for a fixed term period. These will be a 1; 3; 5; 5; 10; 12; and 14 day exclusions dependent on the student's exclusion record. The exclusion tariff increases for each non-conformity in this set escalation manor.

Students will remain on contract for a period of five weeks. Each time the contract is broken the five-week period begins again.

Students on contract will have a red contract stamp placed in the weekly section of their planner. This will be done by the appropriate member of the pastoral staff. Though some

generic comments will remain contracts will be more individually tailored to the needs of the students concerned. An up to date contract list will be emailed to staff weekly.

At the end of the academic year students who are on contract will complete the full five-week period in the next academic year. They will be offered the opportunity of a 'clean slate' only after a full five-week period without any breaks of contract has been achieved.

All other students will be given a 'clean slate' at the beginning of each academic year.

PHASE 7 – FIXED TERM AND PERMANENT EXCLUSION

Students who persistently break the contract or who commit a particularly serious misdemeanour can expect to find themselves in phase 7. Fixed term exclusions are issued as a final resort to highlight the severity of an incident or a student's cumulative behaviour. Fixed term exclusions are issued for a range of serious behaviour incidences including unprovoked assault, swearing at staff and use of racist, homophobic or disablist language towards a student or a member of staff. If it is felt that a student's behaviour has been dangerous, threatening or persistent bullying then fixed term exclusion could be issued. A decision to exclude is made entirely by the Principal and the Governor Board.

Fixed term exclusions operate on an increasing tariff within categories. The first exclusion will be a 1 day FTE; then two periods of 3 days; followed by two periods of 5 days; before escalating to 10, 12, and 14 day exclusions. Once a student has triggered the 10-day exclusion mark, a managed move through the 'Behaviour and Attendance Partnership' (BAP) will be considered, as they are not meeting the expectations of Vale of York.

The Principal reserves the right to vary any exclusion tariff dependent on severity of the offence committed.

A student returning to the academy after exclusion will be reintegrated by a Progress Leader, Assistant Vice Principal for Student Welfare, or in some cases the Principal. The student will automatically be placed in seclusion for one day from 9.00am until 4pm.

Please see the exclusions policy for full details.

Positive Discipline Detentions

Detentions issued to students for three comments are held biweekly, and are staffed by a rota of senior leaders, progress leaders, and TLR holders. These detentions are for one hour from 3.00pm until 4.00pm and held in the main hall (unless alternative arrangements have been made).

The classroom teacher detention may be issued to a student for accruing 3 comments within a single lesson (phase 4), or it may be as a result of the accumulation of a combination of any 3 B, H, or P comments within that subject over a half term. Tutors will issue detentions for the accumulation of 3 AS, L, U, and E comments. All students are given a 'fresh start' at the beginning of each half term, in relation to the accumulation of comments for detentions.

The number of comments remains on the central database for monitoring purposes. Parents are given 24 hours spoken or written notification through the planner, of a detention.

If a student fails to attend a 1-hour detention, they will be entered automatically for a Principal's 1 ½ hour detention on a Friday. Failure to attend the Principal's detention will result in the student completing a day in seclusion. If a student accrues more than 5 detentions in a half term, this will also result in a day in seclusion.

Positive Discipline Rewards

On entry to the academy students are allocated a form. Year group achievement is celebrated through rewards assemblies every term. During this attendance, achievement and points are collated, and successes rewarded. The system is designed in order to embed a sense of belonging and promote a collective responsibility for the year group's outcome.

All members of staff have a reward stamp and they are encouraged to reward good progress, active engagement in lesson and meeting both the classroom and around-site expectations of Vale of York.

Students are given clear guidance on how they can achieve reward points and how the system works:

- ✓ Reward points are given for a variety of reasons including arriving on time; being fully equipped; having excellent attendance; being in correct uniform; producing good work; demonstrating positive behaviour; and helping others.
- ✓ During the fortnightly Positive Discipline lesson, the reward points are collated and entered into the academy database.
- ✓ Students are able to trade in their points throughout the year for smaller rewards, or save them up for more expensive rewards such as trips; prom; leaver's hoodies etc.
- ✓ Each term, there is a rewards assembly where team and individual rewards can be won.

Positive Discipline Planners

Student Self-Monitoring:

Central to PD is the need to provide students with the opportunity to reflect upon their own academy performance; in other words, to ensure that student self-monitoring is central to the weekly operation of the planner. With this in mind we devote a reasonable amount of time each week to allowing students to reflect upon their performance in the academy. This is done by the fortnightly Positive Discipline session. This is a structured opportunity for reflection, and subsequent private reading.

Parental Monitoring:

Parents and guardians will also have a key role in monitoring their child's planner. In the communication to parents at the front of the planner need for parental involvement is outlined in some detail. Most importantly it is expected that parents will inspect and sign the planner each week, encourage their child to keep the planner clean and up to date, support the habit of completing homework in an organised and efficient manner, and use the appropriate Parents' Section to communicate with us as an academy.

Form Tutor Monitoring:

Within the academy student planners will be monitored each week by the Form Tutor. When monitoring student planners, form tutors are looking to identify or confirm a number of points:

1. that the planner is free from graffiti and is being kept in a tidy manner;
2. that homework details are being recorded in sufficient detail;
3. that, whenever they occur, comments made in the planner in relation to equipment (E); uniform (U); late (L); and around site (AS) by any member of staff are responded to;
4. that, whenever they occur, comments made in the planner by parents are responded to in an appropriate way;
5. in order to communicate as form tutor to parents upon any academy based issue which they feel would be best communicated through the planner;
6. in order to monitor the awarding of house points.

Using the Planner:

Planners are a crucial piece of equipment in the academy and support the students in being organised and responsible for their own learning. It is also the main form of communication between home and the academy - informing parents and carers about rewards, sanctions and other academy events. Students are given new planners at the start of the academic year and if they are subsequently lost the students are expected to buy a replacement (currently priced at £5).

Students are given the following guidance on planners by Form Tutors and Progress Leaders:

- Planners must be in the academy every day. If a student arrives to registration or a lesson without a planner, the member of staff should immediately email reception for ONCALL.
- On the first occasion each term, the behaviour manager will issue the student with a planner sheet – any comments or house stamps will be transferred into the student's planner the following day by the behaviour manager.
- If the student then forgets their planner for a second time within the same academic term, they will be placed in seclusion for the day.

- Planners must be signed every week by someone at home, the student, and the tutor. If planners are not signed, then an E comment will be issued.
- If pages are torn out of planners or attempts to cover up comments, staff will email for ONCALL and the behaviour manager will sanction the student accordingly. Parents are not permitted to cross out comments that they do not agree with.
- If a student refuses to hand over a planner, staff will email for ONCALL and the behaviour manager will issue an appropriate sanction.
- No personalising of the planner will be allowed. Pages must not be folded over and highlighter pens must not be used. The planner should be carried in the student's bag not in a jacket pocket.
- At the beginning of each lesson, students will take out their planners. Students who have not brought their planner should be immediately referred to the behaviour manager via an ONCALL email to reception.
